Expert Customer Service,
After-sales service.

BUSINESS FOCUS

MISSION

To provide superior, branded and affordable kitchen equipment solutions, fostering a culture of excellence and reliability in the food service industry.

VISION

To be the premier manufacturer and supplier of innovative kitchen equipment in the Middle East, setting new industry standards through quality, reliability, and tailored solutions. We aim to empower F&B establishments by partnering with top chefs to create equipment that meets the demands of modern culinary excellence and operational efficiency.

SOLUTION
FOOD SERVICE EQUIPMENT

Equipping Excellence

At Aldar Kitchens, we provide state-of-the-art food service equipment to enhance kitchen efficiency and performance. Our advanced range incorporates the latest in energy-saving technology, ergonomic designs and user-friendly controls to ensure smooth, reliable operations. Whether you need coffee machines for high-volume service or precision cooking equipment, we have the solutions to elevate your food service experience.

- Coffee Makers
- Ovens & Proofer
- Hoods
- Cooking Equipment
- Dishwashing Machines
- Refrigerations
- Food Processors
- Juice Machines

REFRIGERATION SOLUTIONS

Equipping Excellence

Our refrigeration solutions are designed to meet the most stringent commercial kitchen requirements. Our industrial chillers and freezers are equipped with smart cooling technology and offers precise temperature control, energy efficiency, and superior storage capacity. These solutions are perfect for preserving food quality and extending shelf life in demanding environments.

STAINLESS STEEL FABRICATIONS

Equipping Excellence

Aldar Kitchen is a consultant approved manufacturer of custom stainless steel. It offers durable stainless steel fabrications essential for maintaining a hygienic and efficient kitchen. Our custom-designed products are crafted using high-quality materials and modern fabrication techniques, ensuring longevity and ease of use. These fabrications are built to withstand the rigorous demands of commercial kitchens while offering sleek, space-saving designs.

- Work Tables
- Trolleys
- Shelvings
- Counter Units
- Floor Drains
- Wall Cabinets
- Dishwashing Table
- UV Hoods
- BBQ Bins
- Custom Refrigerated
- Chillers
- Cocktail Station
- Hot Cabinets
- Cooking Ranges
- Water Mist Hoods

CUSTOM STEEL SOLUTIONS

Worktops:

Premium stainless steel worktops with customizable dimensions, shapes, and finishes, designed for lasting durability and easy hygiene.

Basins:

Custom-sized basins in deep-drawn or boiler-made options, built for maximum hygiene and seamless integration.

Standard Furniture:

Adaptable, modular stainless steel units offering robustness, hygiene, and easy fit for any kitchen layout.

General Characteristics of ALDAR Kitchen Equipment:

- Custom-manufactured for a perfect fit to customer requirements.
- Rounded edges and corners for cabinets, drawers, and worktops.
- Seamless worktops designed to fit walls.
- Neutral cabinets meet hygiene standards (H1, H2, H3).
- HACCP-compliant kitchen equipment.

Materials:

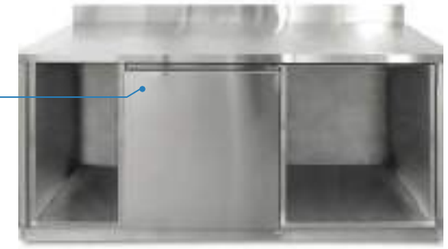

Fully constructed from AISI 304 stainless steel.

Worktops and Cabinets:

- Worktops: 2.0mm thick reinforced stainless steel.
- Dish tables: 1.5mm thick reinforced stainless steel.
- Cabinets: 1.0mm thick stainless steel.
- Drawer fronts and doors: Double-walled with anti-noise filling.

H1 & H2 Cabinets:

Top-tier hygiene cabinets with fully welded backs, designed for high standards and custom-fit precision.

Storage Cabinets:

Wall-mounted or freestanding storage options, with adjustable shelves, door types, and optional locks and lighting.

Hot Cupboards:

Temperature-controlled cupboards (30°C to 90°C), fully insulated and customizable for heating needs.

Mobile Equipment:

Durable, versatile mobile units designed for flexible kitchen workflows.

EXPERTISE

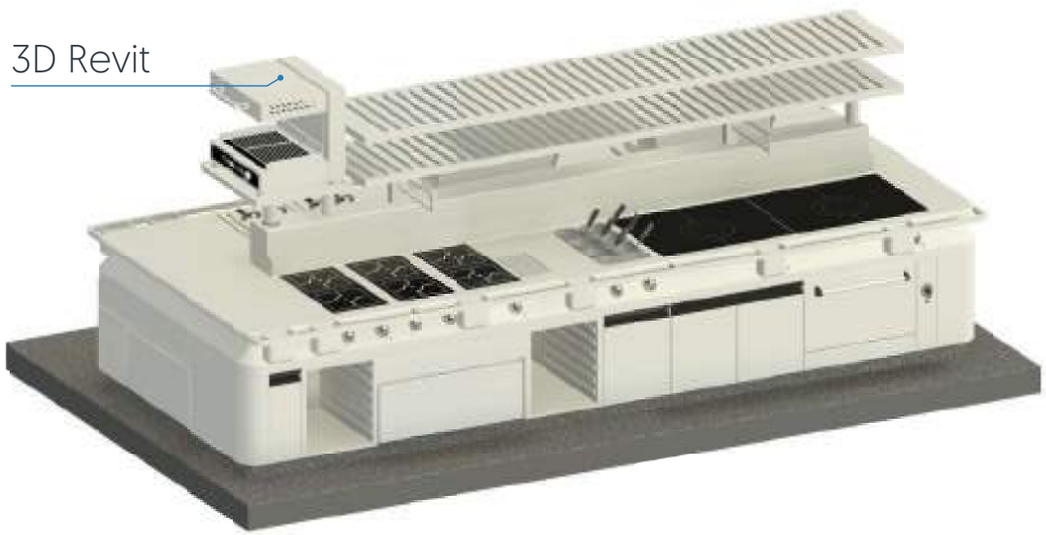

Comprehensive Services for Every Kitchen

Al Dar Kitchens, we offer a full suite of services to meet all your kitchen needs. Our commitment to excellence ensures that every aspect of your kitchen project is handled with the utmost care and professionalism.

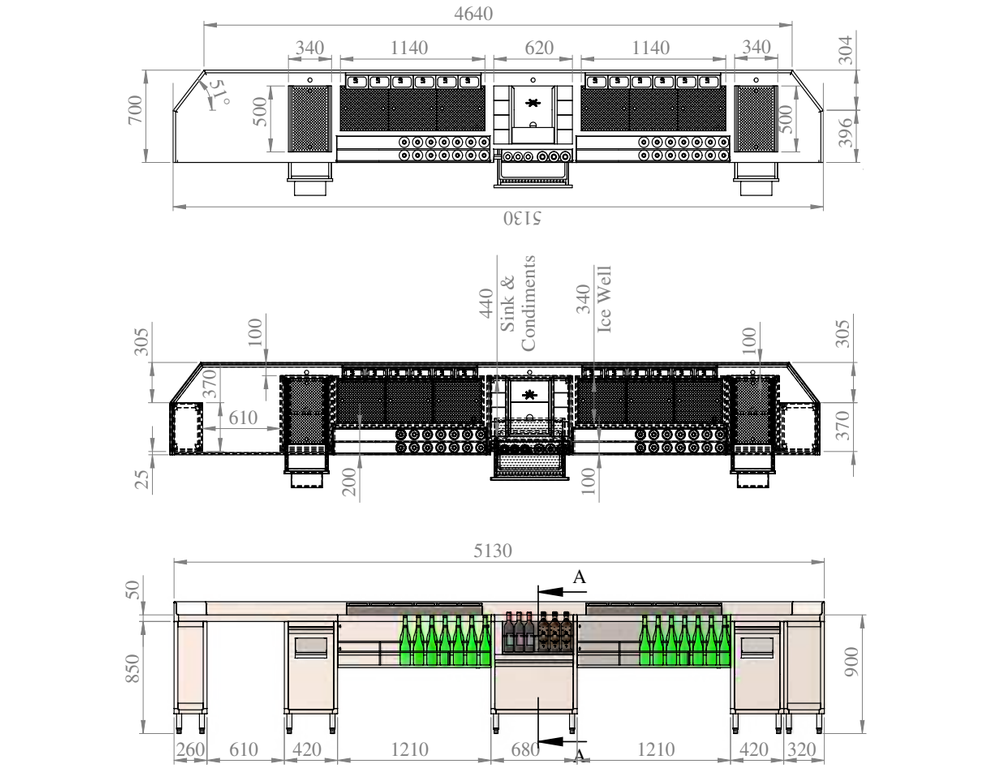

Design Services:

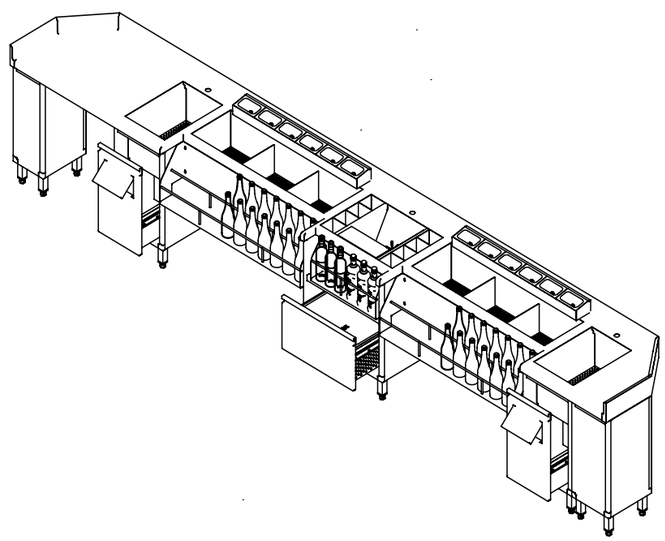

Our tailored kitchen layout designs are crafted to meet the specific needs of your space. We consider all essential components, including electrical, plumbing, and gas layouts, ensuring that each design is functional and safe. Our team leverages advanced CAD and Revit expertise, enabling us to create detailed and accurate designs that enhance your kitchen's aesthetics and optimize its efficiency. With a focus on your vision and requirements, we ensure that the final design aligns perfectly with your expectations.

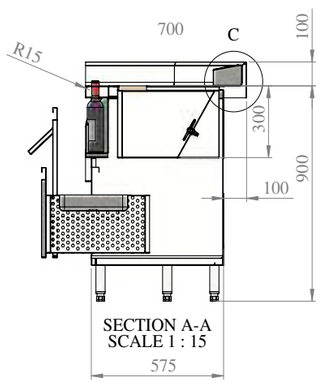

3D Revit

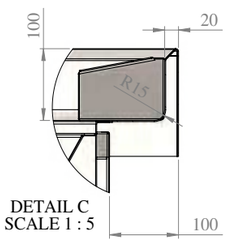

Cutsheet Drawing - Solidworks

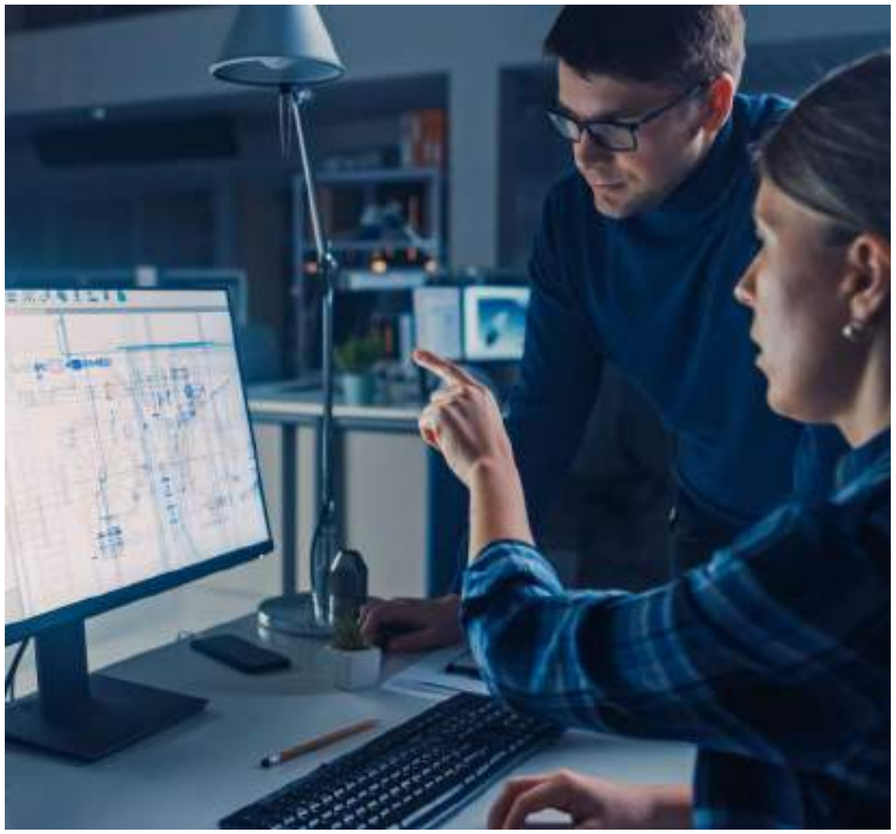

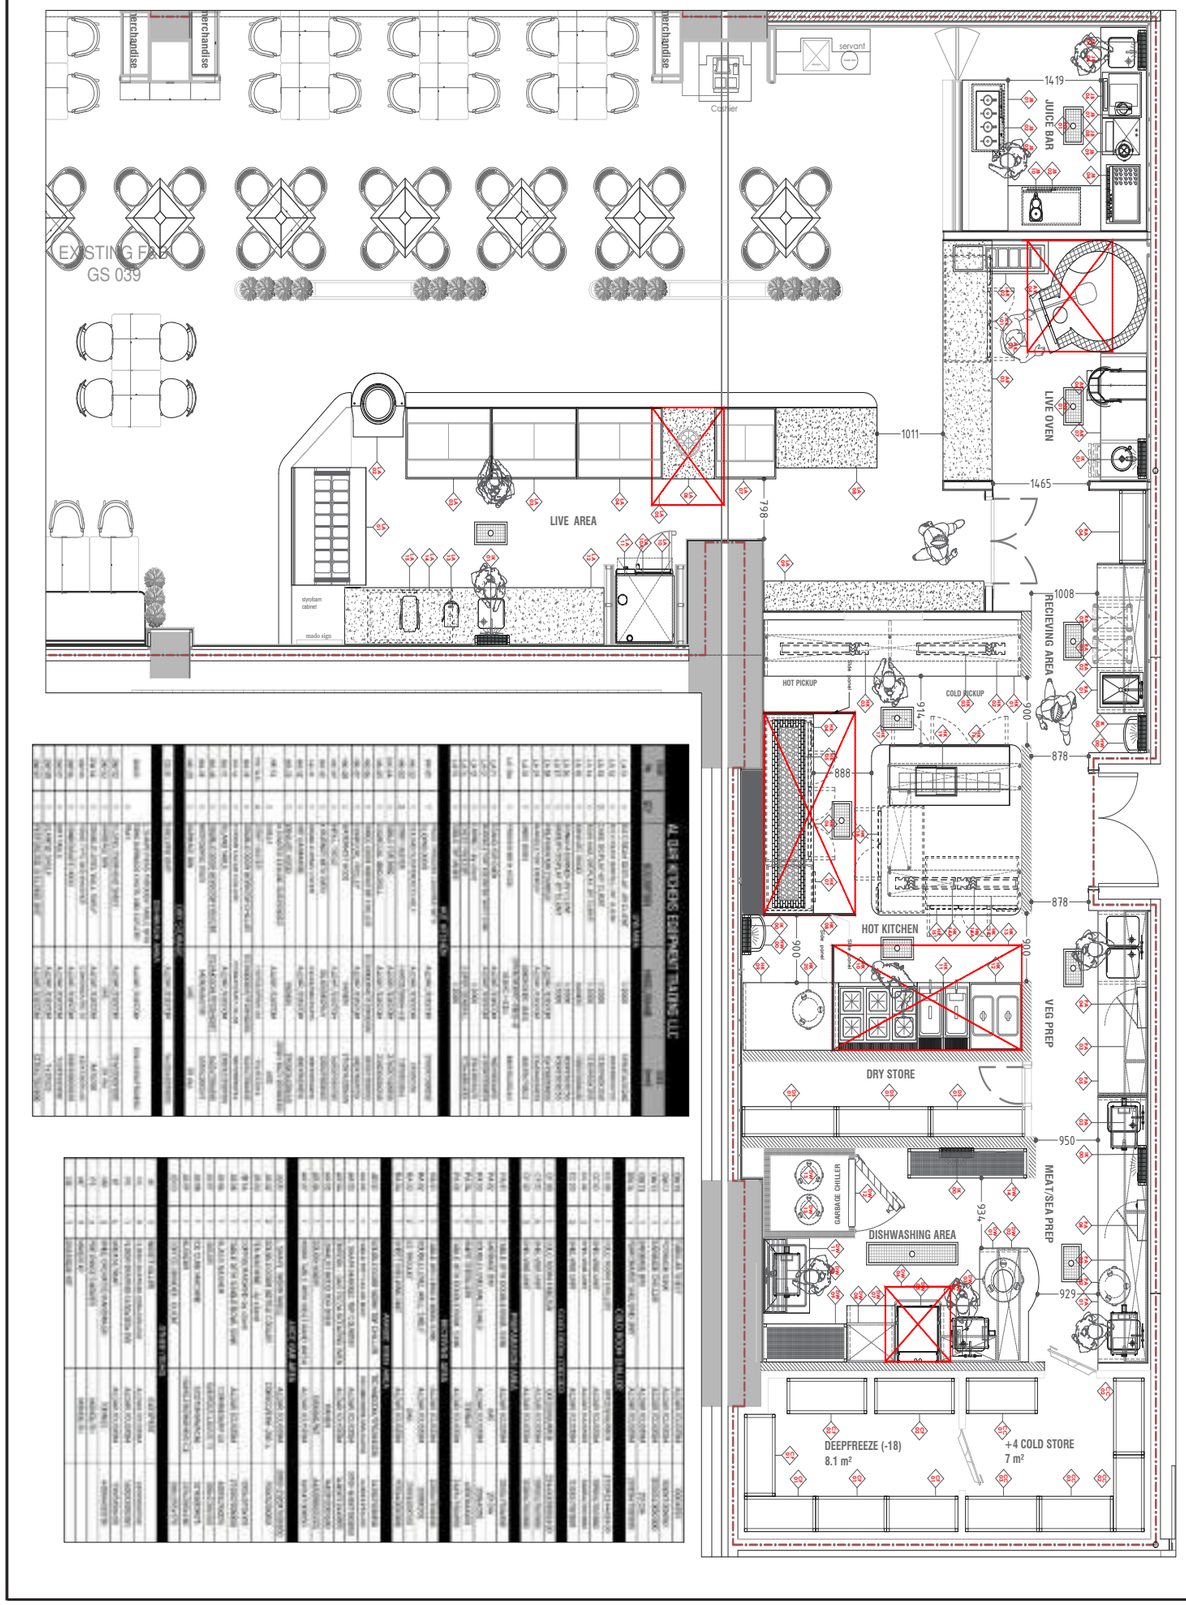

EXPERTISE

Project Management:

Our project management services encompass end to end planning and execution, ensuring that your kitchen project runs smoothly from start to finish. We take charge of every stage, including delivery, installation, testing and commissioning. Our experienced project managers coordinate with all stakeholders, manage timelines, and oversee quality control, allowing you to relax while we bring your kitchen vision to life. We believe in transparent communication, regular updates and addressing concerns throughout the process.

KITCHEN LAYOUT - CAD

EXPERTISE

Maintenance Services:

We offer comprehensive maintenance services post installation to ensure your kitchen operates at peak performance. Our maintenance plans include annual contracts that cover routine inspections, spare parts supply, and preventive maintenance. This proactive approach minimizes downtime and extends the lifespan of your kitchen systems, giving you peace of mind and confidence in your investment. Our dedicated team is always on standby to address any unexpected issues, ensuring your kitchen remains safe and functional.

WHY ALDAR KITCHEN?

The Difference is in Our Details

10+ years of experience in UAE's food service industry.
Manufacturer for the hospitality and catering industry.
